

## YOU ARE NOT A GOLFER?

OK! There are plenty of opportunities for non-golfers to network on behalf of your organization.

Just sign up to volunteer and you will be able to help people with health screening or meet people at a beverage station, at event holes and more!

Young men and fathers needed to walk with, talk to, and teach young African American boys in the second...

## THE ANNUAL OUTING...

Iota Pi Chapter of the Omega Psi Phi Fraternity, in concert with the OMEGA UPLIFT FOUNDATION and GRAAHI, anticipate a fun-filled Fathers' Day Saturday of excellent golfing, relaxation, rekindling of past relationships, and establishing new relationships with participants and other social and business institutions. We seek to take advantage of this activity to promote the need for educating the African American *fathers, sons and future fathers* about physical and mental health issues that impact their lives and their families on many fronts.

Sign-in begins at 7:30 a.m. on Saturday June 18, 2016.

Then it's on to golf a Four-Person "Scramble" with a SHOTGUN start at 8:15 a.m. sharp. We will combine singles players to create four-person teams. Winter Rules Apply.

Join us for golfing fun and networking

## BLACK BUSINESSES...

We are encouraging our African American owned businesses to be sponsors to demonstrate their support. Being a sponsor tells our community that you know the value of investing in the health of our African American *fathers, sons, and brothers*. African American entrepreneurs express support of our Black education initiatives and our Black health matters.
