THE ANNUAL OUTING...

Iota Pi Chapter of the Omega Psi Phi Fraternity, in concert with the **OMEGA UPLIFT FOUNDATION** and **GRAAHI**, anticipate a fun-filled Fathers' Day Saturday of excellent golfing, relaxation, rekindling of past relationships, and establishing new relationships with participants and other social and business institutions. We seek to take advantage of this activity to promote the need for educating the African American *fathers, sons and future fathers* about physical and mental health issues that impact their lives and their families on many fronts.

Sign-in begins at 7:30 a.m. on Saturday June 16, 2018.

Then it's on to golf a Four-Person "Scramble" with a SHOTGUN start at 8:15 a.m. sharp. We will combine singles players to create four-person teams. Winter Rules Apply.

Join us for golfing fun and networking

BLACK BUSINESSES... We are encouraging our African American owned businesses to be sponsors. Being a sponsor demonstrates your support and tells our community that you know the value of investing in the health of our **African American fathers, sons, and brothers**. African American entrepreneurs can use this opportunity to express support for education and health initiatives for Black males.
