

# IOTA PI SPONSORS SCOUT TROOP

Scout Troop 238 (Pack 3206) was established in 2012 by Bro. Kenyatta Bramein Grand Rapids, MI., after he was unable to find a diverse scouting group. Each year, Iota Pi Chapter sponsors a summer camp for troops commonly called the Omega Scouts.

With the support of the chapter, the Scouting Council, the church ministry, and parent involvement, the boys have experienced camping, hiking, fishing, and several other outdoor activities. The chapter also sponsors the Tipping Point Initiative and the Scout Reach Programs. Scouting is a nationally-recognized program. Many American leaders attribute the boy scouts experience as having contributed to their leadership development.
